Greetings, All and Happy New Year!

Our 2019 Spring Tour was a great success. We had 12 Model A's leave from Franklin, Tennessee to drive the beautiful Natchez Trace to Natchez, Mississippi. We had a few leave us as the end of the Trace, but 6 A's continued on to travel on to Mobile, Alabama. Unfortunately, in Mobile, one of the cars developed a terrible banging, after consuming a great quantity of oil the previous 100 miles or so. We were very fortunate to be able to reach club member Walt Fuller and his wife Martha at their home. We were just about a mile from them when the problem developed. The Fullers were very hospitable and helped to arrange a truck and trailer to haul the ailing A on up the road to a rebuilder in Atlanta. The rest of us went on to our destination of Fort Walton Beach, Florida. It was a wonderful tour with great weather and fun people to share our great hobby. John and I logged 2,002 miles door to door on this tour. If you weren't able to join us, you really need to come on the next tour, May 7-11, out of Beckley, West Virginia.

Speaking of which, our Wild and Wonderful West Virginia Tour will be hosted by Melanie and Terry Whittington. They are long time residents of West Virginia and have planned a great tour for all of us. The tour will be limited to 25 registrations, so when registration opens on March 13, don't delay registering. See info on the next page.

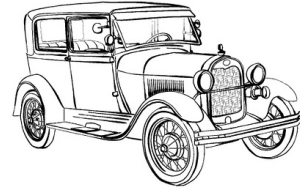

The Fall 2020 Tour is in the works. Liz Horne will be our host. The details will be published on the website as soon as they are available.

Southeastern Touring Group dues are now due. Remember to go online and pay them. You aren't going to want to miss our tours in 2020! Don't forget to pay your MAFCA dues, as

well. You can do that on the MAFCA website, [www.mafca.com](http://www.mafca.com).

Gas up those A's and let's go for a ride!

Happy Motoring... Happy

Select the volume number below to see that table of contents: [Volume 1](#) • [Volume 2](#) • [Volume 3](#) • [Volume 4](#) • [Volume 5](#) • [Volume 6](#) • [Volume 7](#) • [Volume 8](#) • [Volume 9](#)

If you would like a copy of the combined tables of contents, you may [click here](#). To purchase any of these books, visit the [MAFCA Store](#).

The books in the series "How To Restore Your Model A" contain articles about restoration and maintenance of the Model A Ford which have previously appeared in The Restorer magazine over the past 50 years. Some past issues of The Restorer magazine may not be available to all its readers, but the restorer and Model A owner is now assured that he has in permanent book form, a collection of the same famous articles which help to establish The Restorer magazine nationally as a leading authority on Model A Restoration. Some of this restoration information is still found nowhere else but in these "How To Restore Your Model A" series of books. A must for every Model A owner.
