Greetings, All!

The MAFCA National Tour is now in the books! I want to thank all of you who helped with this tour, because of your help, everyone had a great time! It was a very successful tour in northern Indiana and southwestern Michigan. We learned about the Amish/Mennonite people and their lifestyle in Elkhart County, enjoyed the beautiful architecture of the Basilica on the Notre Dame Campus in South Bend, and enjoyed 5 spectacular automobile museums during the week. We had 80 Model A's and 168 people! If you weren't with us, you missed out on a great time. All profits and excess money in the club checking account were donated to the Model A Ford Museum Expansion project during Model A Days, recently.

This Fall's tour will have us traveling the Woodpecker Trail from Augusta, GA to McClenney, FL. It should be a lot of fun. Country Living Magazine has called this one of America's "most scenic drives." In the early 1900's it was the fastest way to the west coast of Florida, all bumpy clay roads of it. Today, of course, it is completely paved!

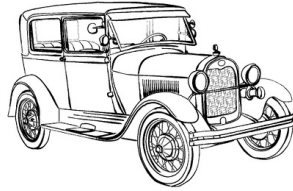

Next Spring's tour will be taking us back to the Outer Banks of NC. We will be traveling the barrier islands from South to North and it will be May 16-19, 2024. We did this tour in October 2017, going from North to South. The average temperatures are 70°F, and May is well outside of hurricane season! Registration will open on Monday, April 8, 2024, at 9am ET and 10am CT. This tour will only be open to the first 25 registrations.

I'm sure there are places you all would like to tour, please send me your ideas. If you know of a great three or four night tour, I really need your ideas. Send those ideas my way!

Next years membership dues (\$5) are due by December 31. 2023.

I look forward to seeing you soon.
