Southeastern Touring Group

Greetings, All!

The time to register for the Fall 2022 Tour is coming up rapidly! We are going back to North Carolina with a tour into Tennessee to visit with Brent Terry at his restoration shop. October in the NC Mountains is simply spectacular! **There will be NO truck/trailer parking reserved, so don't trailer your A to the tour.** Blowing Rock just doesn't have the parking space for the rigs. Registration will open on August 22, at 9:00 am Eastern time, 8:00 am Central time. All registrations and fee payments must be done through the club website.

Please give serious consideration to hosting a tour for the club. Don't you want to get your friends to see where you love driving your A and show off your beautiful area? I'll help you put a tour together. I promise, it's really pretty easy!

I am still looking for help with the 2023 MAFCA National Tour, which the Southeastern Touring Group will be hosting. The tour will be from July 16 - 21, 2023. All of you have something great to offer in the execution of this tour. Please email me to volunteer to help out. None of the jobs will interfere with you enjoying the tour. So, please volunteer! The tour will be in the beautiful states of Indiana and Michigan. It will be a circle tour, beginning and ending in Auburn, Indiana. Auburn is the home of the Auburn, Cord,

MAFCA Charter

On Saturday, April 23, 2016, the Southeastern Touring Group officially became a Special Interest Group of the Model A Ford Club of America (MAFCA).

Membership

Membership in the Southeastern Touring Group (STG) is open to all members of MAFCA and has no regular meetings. The purpose of the group is to tour the Southeastern area of the US in Model A's, with tours in the spring and fall of each year. Membership dues for all family memberships is \$5. Only those who have joined the STG and paid their dues for the year will be able to register for club tours. Click [here](#) to update your membership information. Click [here](#) to pay your dues.

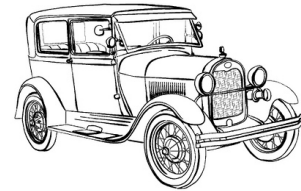

Duesenberg (ACD) Museum, the National Automobile and Truck Museum of the US (NATMUS), and the Early V8 Ford Museum. There is information about the tour on the club website.

So many of you have asked about membership dues - \$5 per year. Look on the club website, 2022 Membership Roster tab, to see if you are listed. If you are not, please email me (happybegg@gmail.com) and we will see if it is my error (not listing you) or if you need to pay membership dues for 2022.

I look forward to seeing you in Blowing Rock, North Carolina!

Gas up those A's and let's go for a ride!

Happy Motoring... Happy

Fall 2022 Tour

Tour of the Blowing Rock, NC area

Tour dates: Monday, October 23 and Tuesday, October 24.

Registration opens on August 22 - 9:00am Eastern time, 8:00am Central time

The mountains are calling us, yet again! The dates will have us checking into our hotels on Sunday, October 23rd and check out on Wednesday, October 26th. If you participated in our inaugural tour to the Blue Ridge, don't think this one will be the same. Blowing Rock is west of Asheville and this time, we will be exploring that area.

From the unmatched, far-reaching views along the Blue Ridge Parkway, to the quaint storybook mountain village, Blowing Rock, North Carolina is truly deserving of the title: "Crown of the Blue Ridge."

Fall is a favorite time to visit Blowing Rock, thanks to the beautiful foliage and changing colors found along the area's roads. Fall brings the best views.

There will NO truck/trailer parking reserved for this tour.

Once you've filled out the online registration form, be sure to pay the registration fee(s) online as well.

**Remember all registrations and payments are done through the club website.*
